Announcing the IALLT  
Language Center Design Kit  
3rd Edition  
Mike Ledgerwood, Editor

---

The IALLT Language Center Design Kit is an indispensable publication for those planning a new lab, a renovation, or improvements to existing facilities.

The Kit draws on the collective expertise of seasoned IALLT member/authors, and covers the basics of lab design related to needs

assessment, layout, equipment and construction. Additional modules address special needs, "Turn-Key Labs," differing centers for differing needs, and anticipating the centers of the future.

Also included is a CD-ROM which provides video tours of a variety of facilities.

To order, see the Publications Order Form at the back of the Journal or purchase on-line at <http://iallt.org>
