August 12 - 16, 1997  Victoria BC Canada

Victoria is Canada’s westernmost city, situated on the southern tip of Vancouver Island, in one of Canada’s mildest climates. Famous for its gardens, sailing, fishing and close to spectacular National and Provincial parks, Victoria is a year-round destination for international tourists. Plan to arrive in Victoria by air via Vancouver or Seattle, or land there and cruise in by ferry through the islands and sounds. The University of Victoria is renowned for its state-of-the-art CALL Facility and looks forward to hosting this important conference.

“To realize Victoria you must take all that the eye admires in Bournemouth, Torquay, the Isle of Wight, the Happy Valley at Hong Kong, the Doon, Sorrento and Camp’s Bay – add reminiscences of the Thousand Islands and arrange the whole around the Bay of Naples with some Himalayas for background.”
—Rudyard Kipling
